The image shows the interior of a bar designed to look like an igloo. The walls and ceiling are made of light-colored wood. A curved bar counter is made of a material that looks like ice or snow. Above the bar is a wooden sign that reads "IGLOO BAR". Behind the bar, there are shelves with various bottles and beer taps. Several people are sitting on bar stools at the counter. In the foreground, a woman is sitting on a brown armchair, looking towards the camera. There are other armchairs and a small table in the background. The floor is made of dark wood.
