

ACTIVITY TOWERS

ENDLESS WAYS TO PLAY.

PLAY SHOULD BE LIMITLESS.

It should inspire ability and provoke possibility. It should challenge the mind and create experiences that build the foundation of our future selves.

Activity Towers rethink aquatic play to provide an immersive and inventive play experience bursting with excitement and discovery for all ages and abilities.

Where will your **PLAY** journey take you?

connecting the world through play.

ENDLESS WAYS TO PLAY...

Activity Towers were designed to inspire free, spontaneous, inclusive play experiences for all waterplayers, young and experienced.

activity

Interactive, easy-to-reach play elements create an exciting environment for continuous play on and off the tower.

- cannons and tipping buckets
- ball balancing water sprays
- cascading waterfalls
- playful water nooks
- large, impressive water features

BIG splashes

Unleash waves of excitement! Build anticipation with the Tower Soaker's giant splash, or double the play value with the Sky Soaker! Its translucent, shade-casting canopy creates spectacular light and water effects on the tower before tumbling down below!

*SKY
SOAKER*

slides

Twists, dips, tunnels and chutes, Waterplay Activity Towers offer dynamic slide adventures for young tots and thrill seekers alike.

elevations

Carefully considered elevation changes promote safe play so waterplayers can confidently take their experiences to new heights.

space

Waterplay's play pods provide a spacious area for waterplayers to explore, interact and collaborate.

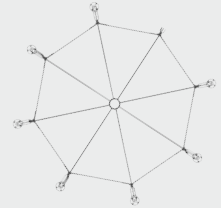

HEX POD

47 ft² (4.4m²)

OCTO POD

90 ft² (8.3m²)

sightlines

Large, translucent panels, strategic elevation transitions and heights promote safe play and clear sightlines for an environment that nurtures confident exploration.

inclusive design

With play elements designed for all ages and abilities, spacious play surfaces and strategic elevation changes that inspire uninhibited play, the Activity Tower is truly inclusive.

ADA accessible and ASTM compliant.

IN ANY SPACE, OR PROJECT STAGE.

compatible

Compatible with zero-depth, wading pools and sloped entry. The Activity Tower can be installed on various materials, including stainless steel.

flow options

The Activity Tower, with an integrated manifold, allows you to design to the hydraulic requirements of your project, high, low or somewhere in the middle.

built to last

All stainless steel construction, strong decks and durable coatings make this structure a lasting flagship play element in your next aquatic project.

Your project will go through many phases during its lifecycle. The playCONNECT™ and playPHASE™ mounting systems simplify the installation and maintenance of your project while also allowing you endless opportunity to plan for future expansions, refurbishments and reinventions.

Reduce installation costs and accelerate maintenance, expansions and renovations with playCONNECT™ and playPHASE™.

SAME FACILITY. SAME STRUCTURE.
NEW DESIGN.

INSTALL 2017

PLANNED FUTURE REFURBISHMENT

modular

The playCONNECT™ feature mounting and playPHASE™ anchoring systems make the Activity Tower easy to install, maintain, phase, expand and refurbish.

ACTIVITY TOWERS SERIES

FOOTPRINTS FOR
EVERY PROJECT.

colours + theming

Tell your unique play story with Waterplay's *CREATIVE COLLECTIONS™.*

Carefully selected colour, graphic and product groupings, Creative Collections work together to form a visual narrative for your design. Create a pirate adventure on the high seas, choose rich greens and light beiges for a nature inspired play experience, or select deep blues, playful purples and brushed stainless to complement a vibrant, modern community space.

With Creative Collections, creating an imaginative, engaging and visually captivating play experience has never been easier.

Contact us to unlock the story of your next project.

Take Waterplayers on a wayfaring adventure with the High Seas Creative Collection, complete with freestanding nautical play elements, Activity Towers designed to look like ships and exciting pirate hideouts!
