

**Mission**

*"To take the simple process of selling attraction tickets online  
and do it extraordinarily well."*

**Cornerstones**

Everything we do is driven by improving upon one or more of the following:

- Scalability;
- Localisation;
- Connectivity; and
- Visibility.

Essentially, we see ourselves as **Ticket Engineers** for our Suppliers - delivering the right tickets to a targeted audience, seamlessly.

**Partnering with 365Tickets**

A simple questionnaire opens up all our distribution channels, managed by:

- One Contract;
- One Contact;
- One Central Treasury; and
- Multiple languages, currencies, payment platforms and fully localised domains.
