

Shoot the rope
and free the toy.

Up to 3 friends can compete or collaborate to free the suspended toys by shooting their ropes using oversized blaster cannons. Simple gameplay is perfect for a young energetic audience, but deeper layers of strategy that unlock bigger rewards gives the game mass appeal.

Familiar characters and vibrant, high-definition graphics combined with intuitive gameplay, gives Toy Frenzy major curb appeal. Juicy lights, sounds and force feedback stimulate and reward the senses, creating an addictive replay value that keeps players glued to the game.
